

Livingstone Primary School PE and School Sport Premium.

Our vision for PE and school sport is to create a culture that encourages all children to be active and healthy. We aim to promote positive attitudes towards competition, physical activity and healthy lifestyles.

For the academic year 2016-2017 Livingstone Primary School have received £8685 to improve the quality of PE and sport.

This funding will help develop a programme to include:

- High quality PE lessons
- Extra-curricular sports clubs
- Competitive sport opportunities for those that want to take part
- CPD opportunities for staff

The funding has been predominantly targeted in the following ways:

Cost	Item (how spent)	Impact
£5000	There has been an investment of £5000 spent on a specialist PE coach. This coach works across all of the MCSP partnership primary schools, spending 1 day in each school. He provides high quality PE lessons which give the children the skills to competently compete in local competitions.	All children in the school are exposed to high quality PE lessons. Extra competitions have been arranged across MCSP schools so a greater number of children have the opportunity to take part in inter-school competitive sport.
£883	£883 has been spent on the Tameside coach to provide after-school clubs for the KS2 children throughout the year, covering a range of sports.	KS2 children are given the opportunity to further develop their skills and interest in an extra-curricular sports club. The duration of the after school sports club has been lengthened and now lasts until 5pm. So far this year 50% of KS2 children have taken part in an after school sports club.
£1000	£1000 has been spent on a local schools working group led by Tameside Schools Sports Partnership. This money allows us entry into School Games competitions organised by Tameside and gives the children the opportunity to take part in	Regular teacher meetings and networking for PE Coordinators. □ A range of training opportunities for staff. □ Ofsted criteria training for PE Lead. □ Free entry to all School Games

	inter-school competitive sport competitions.	<p>Competitions.</p> <p>□ Monitoring support against School Games criteria and Ofsted criteria</p> <p>The school gained the Sainsbury's School Games Silver Award.</p> <p>So far this academic year 36% of KS2 pupils have represented the school in an inter-school competition.</p>
£300	There has been an investment of £300 in the Tameside 'Activate Programme'. This is a 10 week programme for Class 3 and Class 4 learning about healthy eating and exercise.	Children have a greater awareness of the importance of healthy eating and understand why they need to be active for at least 60 minutes per day.
£250	£500 has been spent on new resources for the teaching of PE.	A variety of PE resources have been purchased including: dodge balls, skipping ropes, tennis balls, tag rugby pack, agility equipment.
£110	KS1/LKS2 school sports kit has been ordered for the children to wear when representing the school.	Children can represent the school with pride and are motivated to represent the school in a variety of sports.
*£1000 will be retained for the next financial year and combined with some Sports Premium from 2017/2018	£1000 will be retained to build a 'Trim Trail' in our playground. This is to encourage more active playtimes so that pupil fitness and skill level increases.
