

Livingstone Primary School PE and School Sport Premium.

Our vision for PE and school sport is to create a culture that encourages all children to be active and healthy. We aim to promote positive attitudes towards competition, physical activity and healthy lifestyles.

For the academic year 2017-2018 Livingstone Primary School has received £17,300 to improve the quality of PE and sport (£1000 of which was carried over from last year).

This funding will help develop a programme to include:

- High quality PE lessons
- Extra-curricular sports clubs
- Greater outdoor provisions for all children in the school
- Competitive sport opportunities for those that want to take part
- CPD opportunities for staff

The funding has been predominantly targeted in the following ways:

Cost	Item (how spent)	Impact
£5000	<p>There has been an investment of £5000 spent on a specialist PE coach. This coach works across all of the MCSP partnership primary schools, spending 1 day in each school. He provides high quality PE lessons which give the children the skills to competently compete in local competitions.</p> <p>Furthermore, the coach can guide and support our teachers in providing the 'next steps' in PE to develop our children's learning.</p>	<p>All children in the school are exposed to high quality PE lessons to improve their knowledge of sports, develop their skills and promote a healthy active lifestyle.</p> <p>Extra competitions have been arranged across MCSP schools so a greater number of children have the opportunity to take part in inter-school competitive sport and develop an appreciation for sport and develop their teamwork skills.</p> <p>The children's skills have clearly and significantly improved as children are more confident in lessons and at tournaments: Livingstone's School Games results clearly show an increase in the children's sporting and teamwork abilities.</p>
£883	<p>£883 has been spent on the Tameside coach to provide after-school clubs for the KS2 children throughout the year, covering a range of sports that links to the</p>	<p>KS2 children are given the opportunity to further develop their skills and interest in an extra-curricular sports club. The duration of the after school sports</p>

	School Games calendar of events.	club has been lengthened and now lasts until 5pm. So far this year, 33% of KS2 children have taken part in an after school sports club. The clubs are thoroughly enjoyed by the children and positive feedback is always given about the sessions and development of skills.
£1000	£1000 has been spent on a 'local schools working group' led by Tameside Schools Sports Partnership. This money allows us entry into School Games competitions organised by Tameside and gives the children the opportunity to take part in inter-school competitive sport competitions.	Regular teacher meetings and networking for PE Coordinators. A range of training opportunities for staff. Ofsted criteria training for PE Lead. Free entry to all School Games Competitions. Monitoring support against School Games criteria and Ofsted criteria Livingstone achieved the School Games Silver Award. So far this academic year (April 2018), 19% of KS2 pupils have represented the school in an inter-school competition.
£8000	£8000 has been spent on the installation of a trim trail in the school playground. The trail supports the children's balance, agility, coordination and teamwork skills. Additionally, extra funding was spent on the trim-trail flooring. The highest safety level of soft flooring was implemented to ensure the wellbeing of our pupils.	Children regularly use the equipment and enjoy being outside and active. The trim trail offers continuous development of the children's' coordination and agility skills as they play. Communication and teamwork skills have developed as the children create their own personal and team challenges to cross the trail.

£2150	£2150 has been spent on a mindfulness programme for KS2 and staff.	<p>All KS2 classes received 4x 1 hour weekly mindfulness sessions were used to teach the children coping strategies for anxiety in difficult situations, build self confidence and self esteem and support the preparation of learning for each child.</p> <p>Additionally, all staff received mindfulness training as part of an inset session which has helped support and facilitate the introduction of mindfulness sessions within class across the curriculum.</p> <p>So far, feedback from the pupils has been highly positive as they implement the strategies they have learnt in the classroom as well as in sports and games.</p>
£500	£500 has been spent on new resources for the teaching of PE.	A variety of PE resources have been purchased including: dodge balls, skipping ropes, tennis balls, a tag rugby pack and agility equipment.
£150	£150 has been spent on insurance for staff to take children to a variety of sporting events.	A greater variety of children have had the opportunity to compete in inter and intra school competitions as they have been transported to and from school by staff.
£100	£100 has been spent on providing the children with new playtime toys.	<p>Playtimes have become more active.</p> <p>Children can develop their balance, co-ordination and ball skills using a variety of equipment.</p> <p>Children have worked as a team and co-operated with one another whilst playing with the new toys.</p>
