Please can all children return, in school uniform, for the 6pm concert so that the evening audience gets the same show. Tickets will be available on School Spider today. Tickets will be limited to 2 per child initially. However, there will be some left over so if you want more, please contact the office and we will deal with these on a first come, first served basis.

Easter Egg Raffle:

Friends of Livingstone will be holding the annual Easter Egg Raffle again and we will be selling Raffle tickets from Monday in the playground before and after school for £1 for a strip of 5 tickets. In the meantime, we would welcome any donations of Easter Eggs. The raffle will be drawn on the last day of term, Thursday 28th March.

Year 3 and Year 4 Dodgeball competition:

Well done to our Year 3 and Year 4 teams for the MCSP dodgeball competition on Tuesday. The Year 3 team came joint first! Well done to Lucie, Phoebe C, Paisley, Ben Y, Freddie and Aaron. The Year 4 team came joint second! Well done to Zander, Thomas, Lillia-May, Amber, Emrys and Aurora.

Parking:

We have had complaints this week from local residents about parking. Unsafe and inconsiderate parking does not help us to retain good relations with our local neighbours and being part of the local community is something that we believe is important. I also need to remind parents and carers that double parking on the turning circle is dangerous. The turning circle is there to allow cars to turn around. If people park in this space, this causes an obstruction and will cause other parents to turn around in a more dangerous position. It also poses another obstacle for pedestrians. Please can I ask that all parents and carers consider our local residents and park with consideration even if it is just for a short time.

Red Nose Day:

The children looked wonderful in their red clothes & wacky hair this morning. Thank you for all your generous donations, we raised a fantastic £254 for Comic Relief.

Free Qustodio monitoring on children's devices:

Qustodio allows Tameside families the access to be able to filter and block 2 devices for free for ever. So parents can monitor websites children are accessing, set screen time limits and many other things. Just scan the QR code below to set up your access. In a family with 2 adults, each one can do this for 2 devices allowing you free control on 4 devices. We strongly recommend that this is set up and used.

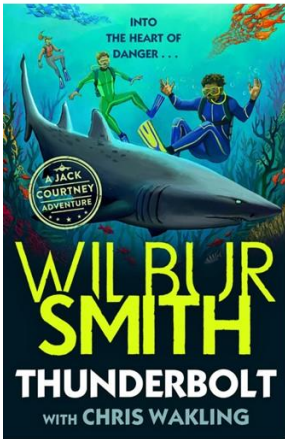

After the Diary Dates, I have attached a few flyers.
