

Sports Premium Planned Expenditure 2024-25

Our vision for PE and school sport is to create a culture that encourages all children to be active and healthy. We aim to promote positive attitudes towards competition, physical activity and healthy lifestyles.

For the financial year April 2024 - March 2025 Livingstone Primary School has received £17,690 to improve the quality of PE and sport.

This funding will help develop a programme to include:

- High quality PE lessons
- Extra-curricular sports clubs
- Greater outdoor provision for all children in the school
- CPD opportunities for staff
- Additional swimming lessons to help children achieve the national curriculum expectations.

This report follows the financial rather than the academic year.

Expenditure Item	Description	Cost	Intended Impact	Key Indicator(s) met
Tameside Active Coach	Highly skilled coach to teach all classes in school across a day.	£5800	We invest in a sports coach who teaches in our school one day per week to provide an enhanced sports provision programme. This ensures that a large majority of our pupils are exposed to high quality coaching every week. Over the course of the year, they will receive coaching in a range of sports and games	1. Increased confidence, knowledge and skills of all staff in teaching PE and sport. 2. Engagement of all pupils in regular physical activity. 3. Profile of PE raised across school as a tool for whole school improvement.
After school sports club until 5pm	Sports club to run on weekly basis throughout the academic year.		The sports club will give more children the chance to receive high quality coaching in a number of different sports and games. They will build on the skills learned in curriculum PE lessons and will be given the opportunity to practice them in more competitive situations. Many children will be given the opportunity to be introduced to sports that would not ordinarily have the chance to play. The sports club will build confidence and self-esteem in many of the children who attend.	2. Engagement of all pupils in regular physical activity. 4. Broader experience of a range of sports and activities offered to pupils.
Tameside Sports Partnership	Regular teacher meetings and networking for PE Coordinators. Monitoring support against School Games	£750	A proportion of the £750 for Tameside School Sports Partnership includes professional development opportunities for teachers. This will include Subject Leader PLT days to keep our school informed of and address current PE issues. The support will also include the subject leader and	1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.

	criteria and Ofsted criteria. A range of training opportunities for staff. Ofsted criteria training for PE Lead. Monitoring and School Games criteria and Ofsted criteria.		other teachers working alongside qualified sports coaches. Being a member of the Tameside Sports Partnership also gives children the opportunity to take part in competitive inter school sports. This will give the children experience of using the skills that they learn in PE lessons in a match situation and allow them to further develop their skills. It will also provide them with the opportunity to challenge themselves, work as a team and represent the school at a local level.	5. Increased participation in competitive sport.
Additional swimming lessons for pupils in Year 4	Giving children the opportunity to start swimming lessons earlier will allow more time for pupils to achieve the expected standard by the time they leave Year 6.	£2600	We offer further curriculum time swimming lessons in the Summer term for Year 4 pupils. This will help to prepare them for the swimming lessons they will receive in Year 5. These additional lessons will allow more children the opportunity to reach the required standard by the end of KS2 and increase children's confidence in the water.	3. Profile of PE raised across school as a tool for whole school improvement.
Orienteering Day	The children will all take part in an Orienteering Day organised and delivered by Enrich Education. This will introduce orienteering and the resources that we have previously invested in to all of the children in school.	£820	Children will all receive an introduction to orienteering and take part in a fun, engaging session. The teachers will have the opportunity to observe how the resources are used and have the confidence to use them more effectively. All staff and children will have a positive day of enrichment which will inspire a higher quality of orienteering lessons being delivered in the curriculum.	1. Increased confidence, knowledge and skills of all staff in teaching PE and sport. 3. Profile of PE raised across school as a tool for whole school improvement. 4. Broader experience of a range of sports and activities offered to pupils.
Play equipment repairs	Play equipment for the use of all children at play and lunchtimes has been repaired. This includes the football posts, basketball backboard and the trim trail.	£2405	Having safe and useable play equipment will allow the children to have more enjoyable and active playtimes. The children will be able to have a greater choice of activities and encourage the children to be more active.	2. Engagement of all pupils in regular physical activity.
Insurance	Insurance costs for teachers to transport pupils to competitions.	£205	All staff being able to transport pupils to competitions will mean that more children will be able to take part and the school will be able to enter a greater number of competitions.	5. Increased participation in competitive sport.
New PE scheme and lesson plans	We have purchased a subscription to 'Get Set For PE'. This helps the school map the PE curriculum and provides lesson plans for all age groups.	£595	The subscription will increase teachers' confidence when teaching PE. They will now have an up-to-date set of lesson plans for all sports and PE activities. The resources will also support the PE lead in mapping the PE curriculum throughout school and help to ensure that there is progression through the year groups.	1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
Outdoor Education Trip	Approximately one third of the cost of an outdoor and adventurous residential trip	£4515	Children will be immersed in outdoor education activities. They will be introduced to many new sports and activities such as archery, canoeing, caving and rock climbing. By covering some of the cost a greater number	2. Engagement of all pupils in regular physical activity.

	will be covered by sports premium. It will also cover the cost of 5 children who are in receipt of pupil premium.		of pupils will be able to benefit from the experience.	4. Broader experience of a range of sports and activities offered to pupils.
Total Spend		£17, 690		

We believe that the spending of our Sports Premium grant is sustainable because:

- The sports coach will provide children with the skills that can be transferred to a range of sports and activities that can be used throughout their lives.
- After school provision will enable more children to take in competitive sport, giving them a greater understanding of teamwork, drive and belonging that they can apply to various aspects of their future lives.
- Being a member of Tameside Sports Partnership will enable the PE lead to gain valuable knowledge and skills to move the subject forward and implement a strong PE culture for years to come.
- The additional swimming sessions will help to give the children the life-long skill of being a competent swimmer and being confident in the water. They will be more aware of water safety.
- PE scheme will support staff subject knowledge to teach a variety of sports, games, dance and gymnastics.
- Supporting children with the cost of The Outdoor Education Trip will give a greater number of pupils the opportunity to benefit from this experience. They will be introduced to many new sports and activities that they would otherwise be highly unlikely to try. Life skills such as resilience, determination and embedding a willingness to try will be consolidated which will benefit children as they move through school.
