Easter Raffle:

Friends of Livingstone will be holding an egg-citing Easter raffle the last week of term. As always, we thank you for your continued support. If your children would like a chance of winning the Easter Egg Raffle, please send children in with £1 per go and we will add their name into the draw. The draw will be made on the last day of term, Friday 4th April.

Academy Consultation:

A separate email with lots of information has been sent out about Livingstone Primary School joining Stamford Park Trust. As parents and carers of children who attend Livingstone Primary School, you are welcome to have your say by emailing consultation@livingstone.tameside.sch.uk by Wednesday 9th April. Alternatively, you can provide a written response and drop it in to the office during this period. Following the consultation period, there will be a chance for parents and carers to meet with the CEO of Stamford Park Trust, Anton McGrath on 29th April at 5pm and ask him any questions.

Online Safety:

We have been made aware of children accessing a you tube channel called SML.

It features videos of different puppet characters, and it does look very child-friendly. However, it contains lots of inappropriate themes such as violence, suicide, swearing and sexual content. One of the main characters pupils have been referring to is "Jeffy". Please see attached link

Dodgeball Event:

Well done to the Y3/4 children who participated in the 'Disco Dodgeball' event this week. As always, the children were excellently behaved and showed sporting behaviour to their opponents. Well played to Phoebe G, Artie, Austin, Aaron T, Heidi S and Heidi W.

Charity Bags:

Thank you for your fantastic donations, we recycled 366kg of clothing on World Recycling day!
